Housekeeping of To-day

HOW MODERN WOMEN Have Solved the Problem.

Nearly all the work in the household calls for heat, whether to cook food, to provide cosy fires, or hot water for baths and household cleaning; or to wash, iron or dry clothes. The choice of the fuel to provide this heat is therefore the basic problem. The modern woman rightly expects from the fuel she is asked to use a combination of several qualities—cleanliness, smokelessness, adaptability, speed, certainty and of course, economy. A formidable array of virtues! Yet all are found in one fuel—GAS! It is the easy mastery of heat that makes gas the ideal fuel for Homes of To-day.

ANNUAL MEETING

The 56th Annual Meeting was held at the Hospital on Friday, 14th June, 1929, for the year ended 31st December, 1928, this being the last Meeting under the function of the Trustees, the Institution having become Incorporated as from 1st January last.

At the request of the President (the Rt. Hon. T. R. Ferens, J.P.), Mr. William Burwell, J.P., presided, and amongst others present were Mr. E. Sheardown, J.P. (Hon. Secretary); Mr. G. F. Grant, J.P. (Hon. Treasurer); Mr. F. J. Palethorpe (Secretary); Mr. James Downs, J.P., Mr. E. J. Adderley, J.P., Mrs. Burwell, Mr. C. E. Exley, Mrs. H. Dean, Mrs. Walter Bell, Miss Stephenson, Mr. and Mrs. W. H. Singleton, Mr. R. H. Bottamley, Mr. E. Walker, Mrs. Palethorpe, Mrs. Harris, Miss Dickinson, Mr. F. Moulson, Mrs. Brocklebank, Mrs. Featherstone, Miss Cattley, Miss M. Kennedy (Matron), Mrs. F. B. Moss-Blundell, Dr. F. C. Eve, Dr. D. S. Stewart, Mr. and Mrs. J. T. Collier, Miss Oxtoby, Miss Shaw, Miss Wheeldon, and others.

Letters of apology for unavoidable absence were received from Mr. W. Hugh Stephenson, J.P., Mr. J. F. H. Staples, Mr. H. P. Horsley, Mr. B. Cyril Barton, Col. G. H. Clarke, Alderman H. Dean, Mrs. Bailey, Mrs. Seed, Mrs. Lee Smith, Alderman T. S. Taylor, Major R. W. Gleadow, Capt. Tom Wells and Mr. H. W. Jackson.

Presenting the Annual Report, Mr. E. Sheardown said that the Bazaar held in November last had produced £1,090. During the year 407 children had been sent to the Hornsea Convalescent Home.

The outstanding feature in the medical report was the increase in the number of in-patients by 174 over the previous year. This was made possible by the provision of extra beds for aural and ophthalmic cases.

Nearly 200 more children were brought to the Institution as casualty patients, and it was pointed out that urgent accident cases could be, and were, attended to at any time of the day or night. The medical staff wished to make it clear that children suffering with infectious diseases had to be refused admission owing to the risk to the other little patients. The Hospital at all times had a "family" of about 100 children in the wards. The reports were unanimously adopted.

Mr. G. F. Grant, Hon. Treasurer, submitted the financial report and pointed out that the receipts amounted to £12,716, and the total expenditure to £10,462 12s. (inclusive of the Hornsea Convalescent Home). £1,000 had been carried to the Extension Fund for work done in connection with the extensions, and the balance of £1,357 would only keep them going for about a month at their present rate of expenditure. Mr. Grant paid tribute to the devotion of the nursing staff, and mentioned that the Hospital had at Hornsea one of the finest Convalescent Homes in the country, and they owed its inception to the generosity of Mr. Ferens who was with them that day.

The Board of Management was warmly thanked by Mr. C. E. Exley and Mrs. Burwell for the successful administration of the Hospital's affairs during the year.

Mr. E. J. Adderley paid tribute to the subscribers, lady collectors and the Working Men's Committee, the latter having contributed the handsome sum of £3,170. He also thanked the members of the Dorcas Society for their assistance. The result of the collectors' work he said, shows that the Institution was looked upon with the greatest possible confidence by the citizens of Hull. Dr. Eve added similar expressions of appreciation.

Mr. James Downs voiced the thanks of the Meeting to the Committee of the Hospital Sunday and Hospital Saturday Fund. Their thanks to these excellent supporters was not merely lip service, for their contributions had been exceedingly valuable ones. Mr. F. Moulson supported.

At the conclusion of the Meeting, Mr. W. H. Singleton moved a cordial vote of thanks to the Chairman for presiding, and this was seconded by the President, who appealed for the continued interest of the younger supporters.

FIFTY-SIXTH

ANNUAL REPORT

For the Year 1928.

At last we have become incorporated, which means that the Trustees cease to function and we can hold the property in our own right; but it has been a tedious and lengthy business, and we are very much indebted to our Solicitor, Mr. J. C. Babington, and the Incorporation Sub-Committee, who have shown untold patience and skill in bringing the negotiations to a successful conclusion.

New Departments and Extensions. Wards for the Ear, Nose, Throat and Eye Departments were opened by our President on July 16th, 1928. These wards were named after Mr. G. F. Grant, in acknowledgment of the valuable services rendered by our esteemed Hon. Treasurer for many years. The provision of this ward has been more than justified by the results. Mr. T. F. Lavelle, L.D.S., has been appointed Hon. Dental Surgeon. This is a new and apparently much-needed Department. A Sister Tutor has been appointed to give

Special Lectures and Instructions to the Nursing Staff so that the Institution may have the benefit of a Nursing Service thoroughly up-to-date, and to prepare the nurses for passing the examinations now necessary to qualify as a member of the nursing profession.

Working Men's Committee. The amount contributed by this Committee during the past year has been the handsome sum of £3,150 and £20 for the Convalescent Home, Hornsea. It is hardly necessary that the

Board should allude more than they have repeatedly done to the sacrifice of time and the unselfish and tireless efforts on the part of the various members of this Committee, which alone can secure such gratifying results of their labours. Our best thanks to all the members of this Committee. As a token of appreciation of Alderman Dean's long and valued services in connection with the Hospital and as Hon. Secretary of the Working Men's Committee, a framed photograph of the Alderman and ex-Lord Mayor, subscribed for by his colleagues on the House Committee, has been hung in the Board Room of the Institution.

Carolling. Again we have to thank the "Monks of Newland" for the sum of £32 10s. received through Mr. Harold Ellis, and £58 5s. from the "Hessle Waits" per Mr. C. W. Marshall.

Special Contributions. There is again a long list, particulars of which are set out elsewhere in this Report. Messrs. T. J. Smith and Nephew have, as in the past, made us handsome presents in the shape of Surgical Dressings.

Our President kindly presented a Piano for the nurses' sitting room.

The Committee earnestly hope that this Form may be returned to the Secretary filled up by some New Subscriber or Donor.

NOTE.—Annual Subscribers will greatly facilitate the Collection of their Subscriptions if they will kindly fill in this Order on their Bankers, and send it to the Secretary, Victoria Hospital for Sick Children, (Incorporated) Hull, Park Street, Hull.

This Order entails no liability beyond the Annual Payment and can be withdrawn at any time.

The lady members of the House Committee, under the chairmanship of Dr. Stacey Cleminson, with the assistance of many friends, organised a Bazaar to defray the cost of the " G. F. Grant " Wards and other extensions. The Bazaar was held in the City Hall on December 7th and 8th, and realised the handsome sum of £1,090, which was handed to the Honorary Treasurer. For this and the arduous and willing work given by the ladies we tender our grateful thanks.

The Licensed Trades again kindly sent £75 to our funds.

The thanks of all interested in the welfare of the
Corn, Seed and Oil, and Coal Trades. Institution are due respectively to Messrs. L. N. Johnson (£50), B. Dixon (£83 0s. 6d.) and H. L. Greig (£100) for their kind and valuable exertions on its behalf at the Pacific Club and on the Hull Exchange, not forgetting those who so readily and generously responded to the appeal. The total amount collected was £233 0s. 6d.

Hospital Sunday and Saturday Funds. From the Hospital Sunday Fund has been received the sum of £1,120, and from the Hospital Saturday Fund £124. To the respective Committees grateful thanks are tendered.

Staff. Dr. Lillie Dickson, House Surgeon, and Dr. Ethel Potts, House Physician, resigned. Dr. Enid Clarke was appointed House Surgeon and Dr. Hilda Slack, House Physician, in June.

We are much indebted to the Right Hon. T. R. **Hospitality.** Ferens and Miss Wentworth, Mr. and Mrs. W. Hugh Stephenson, Mr. and Mrs. H. P. Horsley, Mr. and Mrs. Walter Bell, and Mr. and Mrs. A. R. Cleminson, for renewed hospitality to the Nursing Staff in their gardens during the summer months.

This was again a most successful function owing
Fancy Dress very considerably to the exertions of the Special
Ball. Committee consisting of Messrs. E. M. Hainworth and B. Cyril Barton, who undertook its management, and to the kind services of the Countess of Munster, who made a charming and popular hostess. The pecuniary result was £207 10s. 2d. ; for this the Board desire to thank the Ball Committee, the Lady President, the Secretary, Mr. F. J. Palethorpe, and the many ladies and friends who by the sale of tickets and otherwise contributed to the little guests' enjoyment.

The following have been received and for these we
Legacies. express gratitude, not only to the Testators but also to the Solicitors concerned :—Mr. Thomas Bailey, J.P., per Messrs. Moss, Lowe & Co., an additional sum of £4,050 ; Miss A. M. Chatterton, per Barclays Bank, Ltd., London, £500 ; Mr. S. H. Holmes, per Messrs. Holden, Scott & Co., £504 4s. 5d. ; Miss A. Kirk Brown, per Messrs. Holden, Scott & Co., £100 ; Mr. Tom Davis, per Messrs. Martinson & Stow, £41 1s. 3d. ; Sir Henry Samman, Bart., per Messrs. W. C. Burkinshaw and H. L. Saxelbye, £500 ; Miss Alice Temple, per Messrs. Middlemiss Pearce and Miller, £225 ; Estate of Miss M. W. Fewster, on further account, per Dr. A. B. Wilson Barkworth, £15 14s. 3d.

The Sheriff, Dr. T. Ritchie Rodger, has duly
Sheriff's maintained this Cot, having immediately after
Cot. his appointment generously acknowledged it to be one of the duties and privileges of his honorable and important office.

The number of children sent to the Home during the year has reached 407. The demand for accommodation has been so great that six extra beds have been provided, bringing the number of beds to 36. This number speaks for itself as to the excellent work being done by the Home, and its great utility in supplementing the treatment of children's diseases. We are grateful to the residents of Hornsea and the neighbourhood for their interest and generous support, and to the members of the Hull Rotary Club and other friends who very kindly lent their cars for the conveyance of children to and from the Convalescent Home. This has been a great joy to the patients. The building itself has been kept in perfect repair and condition within and without, and a visit to it and inspection of it by any friend of the Institution or of children generally could not fail to please.

It is with the greatest possible regret that we record the resignation through ill-health, of Mr. W. H. Singleton as Chairman of the House Committee. We have every reason to regret his resignation for he had filled the post long enough to enable us to judge what an admirable Chairman he was.

Mr. H. P. Horsley has been elected to succeed him.

We have also to deplore the loss of one of our Honorary Secretaries—Mr. G. Lee Wanless, L.L.B., J.P., owing to removal from Hull ; he was always ready to pull his weight in the boat and we shall miss his genial presence and wise counsel.

The Committee have elected Mr. H. P. Horsley in his place.

It is with a sense of personal loss that we record the death of our kind friend, Major Bernard Barton, J.P., one of the oldest Members of the House Committee (1888) and at one time Vice-Chairman of the

Board. He will be remembered by what he did in connection with the Fancy Dress Ball for a great number of years, and for taking the part of "Father Christmas" to the great delight of the patients and the staff at the annual festivities at the Hospital. Major Barton also succeeded each year in persuading gentlemen on the "Pacific Club" and at the "Hull Exchange" to undertake the collection of the "New Year subscriptions," which resulted in substantial sums being contributed to the funds of the Hospital. The Committee decided to commemorate his deeds by establishing a Cot in perpetuity to his memory.

As a final proof of his interest in the Hospital, Mr. Barton bequeathed the sum of £250 to the funds of the Institution. The Board are glad to announce that Mr. B. Cyril Barton has taken his father's place on the House Committee and as "Father Christmas," and thus carries on the tradition to the second generation.

The Board desire to acknowledge their indebtedness to the Matron, Miss Kennedy, for her very capable and economical management, and to the Sisters, Nursing, Clerical and Domestic Staffs; and last but not least to the Hon. Medical Staff for their work during the twelve months. Also to thank very heartily all those who by subscriptions, donations, collections or other valued and appreciated services have enabled the Institution to be maintained in so satisfactory a manner and its sphere of usefulness to have been so enlarged.

H. P. HORSLEY,

Chairman of the House Committee.

WILLIAM BURWELL,

E. SHEARDOWN,

H. P. HORSLEY.

} *Hon. Secs.*

Since writing the foregoing, we have to deplore the loss, by death, of a very old friend of the Hospital, Mr. Charles Herbert Allison, who was the elder son of our first Chairman, Mr. Henry Allison ; for a few years Mr. Allison was Joint Honorary Secretary and never failed to take an interest in its welfare.

MEDICAL REPORT for 1928.

THE outstanding feature of the Medical Report for 1928 is that the number of in-patients (1,342) is greater than that of last year by 174. This is mainly due to the extra beds which have been devoted to the treatment of disease in the throat and in the organs of special sense.

Nearly two hundred more children were brought to the Institution as casualty patients. This is a marked increase; nevertheless, one cannot help thinking that the number would have been greater if the facilities offered by the Hospital for the treatment of urgent street or other accidents were recognised to the extent which they deserve. The Hon. Medical Staff wishes to emphasize the fact that urgent accidents can be, and are, attended to at any time of the day or night.

During the year the Medical Staff has often been distressed by patients seeking admission to the wards who are suffering from some form of infectious disease. Often the parents make no secret of the presence of infection, but some yield to the temptation to conceal the fact that their baby whoops at times, or has recently had a rash or sore throat. Seriously ill as many of these children are, the Medical Staff is bound to refuse admission to them, simply on account of the risk of infecting others.

The Hospital always has a family of something like one hundred in the wards, and is, to a great extent, in *loco parentis* to these children and would be neglecting an elementary duty did it expose them to any avoidable risk of infection.

The Medical Staff would be grateful if all friends of the Hospital would recognise the fact that the presence of disease which is dangerous to others is the one—and only—bar to the admission of any poor child who is ill.

In conclusion, the Hon. Medical Staff wishes to record thanks for, and appreciation of, much valuable help given by the Residents, Dr. Clarke and Dr. Slack, by the Matron and by the other members of the various complementary services during the period under review.

ROBT. GRIEVE,

Sec. to the Hon. Med. Staff.

DORCAS SOCIETY

IN CONNECTION WITH

Victoria Hospital for Sick Children.

ANNUAL REPORT FOR 1928.

THIS year the ladies on the Committee collected the garments in their district or village, and Matron received nearly 750 garments for the use of the children in the Hospital.

The Committee arranged for the garments contributed by the Members to be on view on Friday, November 23rd. In spite of very bad weather quite a number of people came to the Hospital and they were most interested in the collection of garments and enjoyed visiting the Wards and having tea, which Matron had kindly provided. The Committee desire to thank all the members who have contributed so many useful garments, also money to buy materials for garments.

We are very pleased to welcome Mrs. Harland and Mrs. Alexander Smith on our Committee.
